

CHANDLER POLICE DEPARTMENT WILDERNESS YOUTH EXPERIENCE

DISCOVER. CHALLENGE. GROW.
STRONGER TOGETHER.

The Chandler Police Department Wilderness Youth Experience is a program where School Resource Officers provide students with meaningful educational experiences outside the classroom. This program builds stronger relationships with our students and community.

Many of the students we select would not have these opportunities in nature without a program like this.

OUR GOALS

Promote self-discovery, good character, constructive interaction, and a deeper understanding of nature.

Use experiential education to provide outdoor learning, allowing time for processing, reflection, analysis and growth.

Challenge individuals and groups physically, emotionally, and intellectually.

Foster support, trust, and respect in all phases of instruction, management, and administration.

OUTDOOR ADVENTURES LEARNING BEYOND THE CLASSROOM

DISCOVER

Explore new environments and develop an appreciation for nature and community.

CHALLENGE

Build resilience through physical and mental challenges.

CONNECT

Strengthen communication skills that last a lifetime.

GROW

Build confidence, self-esteem, and positive interactions with others.

LEAD

Foster responsibility and respect through engaging activities and teamwork.

WHEN ARE THE TRIPS?

Trips are offered during Fall, Spring, and Summer breaks. Specific dates and availability may vary.

WHO CAN ATTEND?

This program is designed for Middle and Junior High School youth. SROs work with counselors, teachers, staff, and parents to identify participants.

WHAT WILL STUDENTS GAIN?

Build confidence, teamwork, communication, leadership, responsibility, and respect for others and nature.
