

The Lockboxes for Seniors program is offered as a courtesy to Chandler residents. You must be 62 years of age or older, live alone, and/or have a chronic illness, fall risk or history of emergency calls. After filling out this form, contact the Senior Lockbox Administrator at 480-782-4959 or email seniorlockbox@chandleraz.gov to schedule the lockbox installation (please have a front door key available to be placed in lockbox). Lock boxes will be installed on the front screen door to be visible to emergency personnel.

Consent Agreement					

1. Participation in the program is purely voluntary.
2. Lock boxes remain the property of the South East Valley Regional Association of Realtors and the City of Chandler.
3. If the locks on the home are changed you must contact CPD at 480-782-4959 to have a new key placed in the box.
4. If you are moving or the lock box is no longer needed, please contact CPD at 480-782-4959 for removal.
5. You are responsible to report all changes.

Liability Release

On this _____ day of _____, 20_____, intending to be legally bound hereby, the undersigned agrees and does hereby release from liability and indemnify and hold harmless the Southeast Valley Area Association of REALTORS®, and any of its employees or agents representing or related to the SEVRAR, and the City of Chandler, its employees, officers, officials, directors, representatives and agents, from and against any and all claims, lawsuits, liabilities, judgments, damages, losses and expenses of any kind or nature, including personal injury or death; property damage, destruction or other impairment; and all costs and expenses, including attorneys' fees and expenses, arising from or related to the undersigned's participation in the *Lockboxes for Seniors* program.

Please Note: Emergency personnel can **only** use the lock box to gain access to your home, **after** being summoned there for emergency purposes. The *Lockboxes for Seniors* program is offered as a courtesy to the residents of Chandler. In the event of a time sensitive situation (person not breathing, fire, etc.), the emergency personnel (police or fire) may not have the time to use the lock box system and will gain entry with the fastest means possible. Every effort will be given to utilize the lock box when time permits.
